**ADDENDUM # ONE FV6044AD1**

**The following are changes to be added to the specifications/requirements for this bid**

**1. Clarifications to Specification 13209:**

Section 2.3.B.6 specifies one screen to be supplied per tank. This is now changed to supply two screens per tank.

Section 2.5.A specifies that holds down lugs are required for the tanks. This is not a requirement for the tanks to be supplied.

Insulation on the tanks is not required to be structural. Manufacturers' standard insulation material is acceptable.

**2. The bid due date & time will not change.**
